

## TRANSFER PATHWAY GUIDE 2022-2023

Associate in Science to Bachelor of Science in  
Human Nutrition

### Overview

Completion of the following curriculum will satisfy the requirements for an Associate in Science at the Kentucky Community and Technical College System and leads to a BS in Human Nutrition at the University of Kentucky.

### Admission Requirements

Students must meet the University admission requirements to be admitted into any major within the College of Agriculture Food and Environment (CAFE).

KCTCS students planning to transfer to the University of Kentucky should work closely with a UK Transfer Advisor each semester to ensure that both KCTCS and UK degree requirements are met.

### Degree Requirements

The College of Agriculture, Food, and Environment requires that students start the Human Nutrition program as a pre-major. In order to be admitted into upper-division status and take upper-level (300-level and above) DHN classes, students must meet the admissions policy of obtaining a 2.8 GPA in the following courses: CHE 170, 175, 180, 185; BIO 148; DHN 212 and 241. The chemistry and biology courses can be taken through KCTCS. DHN 212 and 241 are taken through UK; they are offered fall, spring, and summer semesters. The admission policy should be met before transferring to UK to keep on track with upper-level courses in Year 3 of the program.

### General Transfer Requirements

All prospective transfer students are encouraged to receive advising from the University of Kentucky Transfer Center. Appointments are offered online and in-person, and can be scheduled online at <https://www.uky.edu/admission/transfer-advising>.

Additionally, we recommend reviewing the transfer admission requirements (<https://www.uky.edu/admission/transfer-requirements>) and the Frequently Asked Questions (<https://www.uky.edu/admission/transfer/frequently-asked-questions>) on our website: <https://www.uky.edu/admission/transfer>.

For more information, please contact the UK Transfer Center by email at [UKTransfer@uky.edu](mailto:UKTransfer@uky.edu), by phone at 859-257-2000, or in-person in Room 100 of the Funkhouser Building on UK's campus.
