MESSAGE FROM THE CHANCELLOR

Dear Class of 2024:

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024! I look forward to all that you will accomplish.

Felicidades!

Warmly,

Mildred García, Ed.D.
Chancellor

MESSAGE FROM THE PRESIDENT

To the Class of 2024,

Congratulations on achieving the outstanding accomplishment of earning your degree. Today, we celebrate your dedication and perseverance in pursuing your dreams. Your Hornet Family could not be prouder to see you take this step into a bright future filled with possibility.

Graduating from college is a milestone achieved through the support, encouragement, and, often, the sacrifices made by family, friends, and other supporters. As we celebrate your success, it is important that we also honor those who helped you to get here. Take a moment to appreciate all those who helped make today possible – from the friends and family members who offered emotional (and sometimes financial) support, to the professors whose guidance expanded your knowledge and skills. Reaching this milestone would not have been possible without the collective effort of those who care about your success.

Your graduation is a testament to the power of perseverance and support. You exemplify how goals can be achieved through dedication and community. Your accomplishment will serve as motivation for others – from family members to people you have not even met – to envision their own success. You have turned your dream into reality, and by doing so you have inspired those who will see you cross this stage on this momentous occasion, perhaps something no other member of your family has done before. You now have the chance to pay it forward, to be a mentor, offering wisdom and encouragement to those still finding their path. When you support those behind you, you create hope for others.

Though your time on campus may be ending, you will forever be part of the Hornet Family. Today, you join a network of over 280,000 alumni of Our Sacramento State. You can best honor those who helped you on your journey by being there for those who follow in your footsteps. You will always be extremely important members of the Hornet Family, and we hope that you will continue to reach back and help your fellow Hornets.

Today we are proud to celebrate your graduation and eagerly anticipate the next chapters you will write through hard work and perseverance. The foundations built at Our Sacramento State will support your continued personal growth and professional success. Your graduation may close this phase, but it opens the door to a lifetime of possibilities. We cannot wait to witness all you will accomplish. Congratulations! Your Hornet Family is proud of you.

Stingers up!

MESSAGE FROM THE FACULTY SENATE

Dear Graduates,

The Faculty Senate of California State University, Sacramento, is pleased to join your family and friends in congratulating you on your accomplishments. The degree you have earned and the awards ceremony today represent and celebrate a great achievement and personal milestone in your life.

The success of any graduate comes as the result of years of hard work, sacrifices, perseverance, and dedication to purpose. Your strength of character, resilience, and grit have taken you to this moment. Today, you should pause to take pride in your accomplishments and the honor being bestowed on you.

Your progression toward your degree at Sacramento State has given you the chance to acquire skills, values, and knowledge that are particular to your major field of study as well as an appreciation for the broader knowledge that distinguishes the University graduate. We hope that you leave Sacramento State with a dedication to a life of inquiry and learning; the ability to think critically and articulate your positions; and an appreciation of the value of diversity and working collaboratively with others. These values and skills should serve you well as you face the future with its challenges, promises, and many opportunities.

We, the faculty of California State University, Sacramento, are extremely proud of you. We truly wish you the best in your future endeavors, and hope that you remember to never accept the status quo, always ask questions, be critical in your thinking, innovate, and always be your true authentic self. As you find success in whatever path you take, we encourage you to seek ways to serve your community so that those who follow in your footsteps may have the same opportunity to succeed that you have had.

Congratulations, best wishes, and every success now and for the future.

Adam Rechs
Chair, Faculty Senate

MESSAGE FROM THE ASI PRESIDENT

Dear Class of 2024,

On behalf of Associated Students Inc. Board of Directors at Sacramento State, I extend my heartfelt congratulations to each one of you on this momentous occasion of your graduation. Today marks a significant milestone in your academic journey, and it is with great pride and admiration that we recognize your hard work, dedication, and accomplishments.

As your Student Body President, I have had the absolute privilege of witnessing the resilience and determination displayed by our graduating class. Throughout your time here, you have not only excelled academically but have also contributed to the vibrant energy of our campus community. Your diverse talents, perspectives, and experiences have enriched Sac State forever.

Today, as we don our graduation caps and gowns, we symbolize the culmination of years of hard work, dedication, and perseverance. Each late-night study session, every group project, and all the moments of self-discovery have led us to this point. It's a testament to our commitment to education and personal development.

As you step into the next chapter of your life, I urge you to carry with you the lessons learned within these walls. The challenges you have faced, the friendships you have forged, and the knowledge you have acquired are invaluable assets that will undoubtedly serve you well in the future.

Lastly, I express my gratitude for allowing me to serve as your Student Body President. It has been my honor to represent you. I have full confidence that you will carry the spirit of our alma mater with you and keep the Hornet family forever in your heart.

Sincerely,

Nataly Andrade-Dominguez

MESSAGE FROM YOUR ALUMNI ASSOCIATION

Dear Sacramento State Graduates of 2024,

Congratulations on reaching this significant milestone in your academic journey! On behalf of the Sacramento State Alumni Association, I am thrilled to welcome you to our esteemed alumni family. Your dedication, hard work, and notable achievements have brought you to this moment, showcasing the resilience and excellence that define our Hornet community.

Throughout your time at Sacramento State, you've not only earned a diploma but also gained valuable insights in the classroom, online, on the athletic field, and through meaningful interactions with faculty and peers. As you embark on the next chapter of your lives, we encourage you to continue dreaming, exploring, and making a positive impact on the world.

You are now a lifelong member of the Hornet Family, joining a network of more than 280,000 alumni. This community is here to support your ongoing success, and we invite you to take advantage of the services, programs, and events provided by the Alumni Association as you transition from student to alum.

Our mission is to support both Sacramento State and its alumni, offering a variety of resources to keep you connected to the University. Discover the benefits of your membership and explore the programs and services available on our website (SacStateAlumni.com).

We look forward to hearing about your future endeavors and achievements, so that we can both celebrate and support your success. We also encourage you to stay connected and participate in alumni activities. Congratulations, and welcome to our vibrant community of alumni!

Once a Hornet, always a Hornet - Stingers up!

HONORARY DOCTOR OF LETTERS (LITT.D.)

RUSS BUETTNER

Investigative Reporter, New York Times

Russ Buettner is a Pulitzer Prize-winning investigative reporter for the *New York Times*. He joined the *Times* in 2006 after working as an investigative reporter at *The Daily News* in New York and *New York Newsday*. Since 2016, his reporting has focused on the personal finances of former President Donald J. Trump, including articles exploring Trump's business records in Atlantic City, work which exposed a history of Trump overstating business revenues.

Investigative reporting by Mr. Buettner and two colleagues at the *New York Times* further revealed that Trump, contrary to representing himself as a self-made businessman, had received the equivalent of at least \$413 million from his father, a figure that the team's reporting showed had been greatly enhanced by tax avoidance schemes. For their efforts, Mr. Buettner and his colleagues won the 2018 Pulitzer Prize for Explanatory Reporting, the highest award in journalism. A few years later, Mr. Buettner was part of a team that obtained two decades of Trump's tax returns – one of the biggest scoops in recent history.

Mr. Buettner's reporting also exposed unpaid taxes by The Rev. Al Sharpton and uncovered multiple other instances of corruption by elected and appointed officials. In 2012, he and a colleague were finalists for the Pulitzer Prize for Public Service for a series of articles that uncovered abuse, neglect and other deadly mistakes in New York's system meant to care for developmentally disabled people. While working at the *New York Daily News*, Mr. Buettner broke a story about wrongdoing by Bernard B. Kerik, a former New York City police commissioner. Kerik eventually pleaded guilty to state and federal charges and was sent to prison.

Mr. Buettner, a native of Sacramento, was Made at Sac State. He graduated in 1990 after spending a significant amount of time writing for the *State Hornet*, the student-run campus news publication. He generously took time to speak to *State Hornet* staff shortly after his Pulitzer win, offering tips and advice to aspiring young journalists.

Mr. Buettner and his wife, Stacey, have one daughter.

HONORARY DOCTOR OF LAWS (LLD)

ROGER G.F. FONG

Sacramento County Assessor, Retired, and Five Star Bank Founding Chairman of the Board

Roger Fong was born in 1933 to Chinese immigrant parents Sam and Yee Yee Fong, who overcame social and legal discrimination to become successful landowners and farmers. When not attending American or Chinese school, young Roger labored alongside his siblings and friends in his family's fields.

Initially not planning to attend college, he was encouraged by childhood friend Gordon Fong to follow him to Sacramento City College to run track. After earning an associate's degree in business he transferred to Sacramento State, where he continued competing in track and also became an award-winning member of the first boxing team. After graduating in 1956 with a degree in Business Administration, he enlisted in the U.S. Navy, where he boxed competitively. After his service, Mr. Fong returned to Sacramento and launched a career in public service.

After serving as a county social worker, Mr. Fong found his niche as a real estate appraiser in the County Assessor's Office. In 1986 he made history, becoming the nation's first Asian American elected County Assessor. Mr. Fong served with distinction before retiring in 1999.

Lauded for modernizing and improving the office, his transformative leadership earned accolades statewide.

Beyond his professional achievements, Mr. Fong devoted himself to strengthening Sacramento's Chinese and Asian American communities. He was a founding member of the Chinese American Council of Sacramento, giving voice to underserved and underrepresented groups. He actively contributed to the Sacramento Asian Sports Foundation and the Asian Pacific Islander American Association, held board positions with KVIE, the Sacramento Symphony, St. Hope Academy, and United Way, and was a founding Chairman of Five Star Bank. He stayed engaged with his alma maters, serving on committees for Sacramento High School and Sacramento State. Through lasting advocacy and philanthropy, Mr. Fong cemented his legacy as a community leader and role model.

Mr. Fong and his wife, Florence, were married for 61 years until her passing in June 2023. He is the proud father of three children - Ryan, Alisa, and Rachelle Fong - and has seven grandchildren. Today, he enjoys spending time on his 50-acre Clarksburg farm, cultivating organic produce to savor and share with family and friends.

PRESIDENT'S MEDAL FOR DISTINGUISHED SERVICE

RHONDA RÍOS KRAVITZ

Sacramento State Alumnus and Dean, Emerita, Sacramento City College

Dr. Rhonda Ríos Kravitz is an activist dedicated to fighting for social justice, educational, political and economic equity, immigrant rights, and an end to this nation's history of erasure, exclusion, and oppression. Born in San Francisco to a Mexican mother and Jewish father, she was raised predominantly with her mother's family and self identifies as Chicana. She earned degrees from Sacramento State, Simmons College, and the University of Southern California.

In 1987 Dr. Ríos Kravitz became the Ethnic Services Consultant for the California State Library, where she worked on grant programs to support community development and advocated for library collections, services, and programs that accurately and authentically reflected the cultural perspectives of diverse communities. In 1990, she joined Sacramento State as a Library faculty member and was recognized as a leader in diversity and equity issues. From 2007 to 2014, she served as dean of the Learning Resource Center at Sacramento City College and eventually retired to pursue work on equity, diversity, and immigration issues full time.

Dr. Ríos Kravitz has held numerous professional leadership roles, including service as president of REFORMA, National Organization to Promote Library Services to the Spanish Speaking, and chair of the National Association for Chicana and Chicano Studies. Her equity and social justice work has earned her many awards, including the Dolores Huerta Activist Award from the Freedom Bound Center, the Faculty Excellence Award from El Concilio Estudiantes de Sacramento, and the I Love My Librarian! 2011 Award sponsored by The Carnegie Corporation of New York and the *New York Times*, an award bestowed upon outstanding nationally renowned public, school, and academic librarians. She is also the recipient of Doris Matsui's Women's Appreciation Award for her work with Dreamers. Dr. Ríos Kravitz also worked on the documentaries *We Are Not Strangers to this Land: Untold Stories of Dreamers*, and *The Sacramento Chicano Movement: From Voiceless to Empowered* (2017). She was awarded the 2020 Colibri Award from the Sacramento Latino Democratic Club and the 2023 Rick Bettis Community Champion Award for her community activism in the fields of social justice and civic engagement.

PRESIDENT'S MEDAL FOR DISTINGUISHED SERVICE

VIVIAN "VICKI" PLEAU

Alumna of Sacramento State, Philanthropist, Advocate

Vivian "Vicki" Pleau was a fierce advocate for those who called Sacramento home. Born in Minnesota to Lyle Moore, a Canadian soldier, and Maggie O'Neil, a war bride from Scotland, her family relocated to Bakersfield, California, when she was a child. After spending her early years in Fresno, Mrs. Pleau's family moved to Sacramento while she was a teenager. She graduated from El Camino High School in 1964 and upon her graduation enrolled at Sacramento State. There she became a proud member of the Delta Gamma Alpha Psi sorority, an organization designed to uplift and encourage young women to strive for their goals and achieve their dreams.

In 1966 she met the love of her life, Steve Pleau, when they were both students at Sacramento State. They were married in January 1968, the same year she graduated with a bachelor of arts degree in Sociology. Mrs. Pleau and Steve raised their two children, son Geoff Pleau and daughter Stacey Carter, in Fair Oaks, where they formed lifelong friendships in a close-knit community. Mrs. Pleau's passion for her family showed in the values she instilled, including a sense of belonging, inclusivity, and excellence. Mrs. Pleau not only embodied what it means to be a Hornet, but she instilled it in others

through her generosity, compassion, and persistent dedication to supporting those around her. Involvement in the community was a core value exhibited by Mrs. Pleau throughout her life, and she supported numerous organizations with her time and resources including the Children's Receiving Home of Sacramento, Junior Achievement of Sacramento, Sacramento State Athletics, UCP of Sacramento and Northern California, the Del Paso Foundation, and First Tee of Sacramento.

Mrs. Pleau, who died in June 2023, provided unwavering support to Steve in growing the Future Automotive Group, from the opening of his first dealership in Roseville in 1981 to the 14th one last spring. She was proud of Steve for expanding the organization to the largest privately owned automotive group in Northern California. Steve said many times this would not have been possible without her support and counsel.

With her commitment to supporting those around her including her devoted husband, children, and grandchildren, it is no surprise that Mrs. Pleau was unwavering in her support for advancing society.

PRESIDENT'S MEDAL FOR DISTINGUISHED SERVICE

OTIS L. SCOTT

**Sacramento State alumnus and Dean, Emeritus,
College of Social Sciences and Interdisciplinary Studies**

Dean Emeritus Dr. Otis Scott, a pioneer in the field of ethnic studies, was hired at Sacramento State to serve as a professor of its nascent Ethnic Studies program in 1974. He played a pivotal role in transforming the program into a full-fledged department, serving as its first chair for 21 years. In 2002, Dr. Scott was named associate dean of the College of Social Sciences and Interdisciplinary Studies (SSIS). In 2004, he became SSIS dean, serving until his retirement from the University in 2009.

Dr. Scott's educational journey began in Ohio, where he attended Central State University before joining the Air Force. He eventually came to Sacramento State, where he earned his bachelor's and master's degrees in Political Science. Later, he earned a doctorate from Union Graduate School in Cincinnati, where his research focused on the political education of African Americans.

Dr. Scott was part of the team that started the Cooper-Woodson College Enhancement Program (CWC), one of the earliest educational equity programs focused on Black student success. Dr. Scott worked with the late Dr. David Covin and Chris Glen to create

a program to develop and guide African American students to pathways for success. Along with Glen and Covin, Dr. Scott advocated for African Americans in the academic community to create culturally responsive learning environments and to act as mentors to support students in their college journeys. The program's influence can still be felt globally, as it serves as an exemplar for other educational equity programs.

Acknowledging his teaching excellence, scholarly achievements, and commitment to social justice, the John "Jack" Livingstone Faculty Committee selected Dr. Scott to deliver the 1999 Livingston Lecture. This is the highest award that a faculty committee can bestow on one of its own.

Upon his retirement, Dr. Scott's dedication to student success was celebrated with the establishment of the Otis L. Scott Scholarship, created by faculty members to support students who demonstrate academic excellence, leadership, and community service within SSIS.

Dr. Scott married the love of his life, Willie Scott, in 1963, and together they had three sons. Sadly, she passed away last year just two days before their 60th wedding anniversary.

EXPLANATORY NOTES

GRADUATING WITH HONORS: Honors are computed by the Office of the University Registrar using information through Fall 2023.

Bachelor's degree candidates who have completed a minimum of 30 graded Sac State units (excluding CR grades) with a GPA of 3.50-3.74 will graduate Cum Laude, students with a 3.75-3.89 GPA will graduate Magna Cum Laude, and students with a 3.90-4.0 GPA will graduate Summa Cum Laude. Honors at Commencement are based on units and CSUS GPA completed prior to the term of graduation for Spring 2024. Bachelor's degree candidates only. Students who subsequently improve their GPA, will have the honors at graduation noted on their diploma and official academic record. Honors designation for Fall 2023 students with degrees awarded, is based on actual/final GPA when the bachelor's degree was awarded. Within the text of this program, honors are designated in the following way:

cum laude † (white honors cord)
magna cum laude †† (silver honors cord)
summa cum laude ††† (gold honors cord)

HONORS CORDS: Bachelor's degree candidates who meet the above requirements are eligible to wear honors cords as a special mark of the distinction they have achieved.

STOLE OF GRATITUDE: As most graduates have a special person who, through moral or financial support, has made a big difference in their life, the Stole of Gratitude offers an opportunity to say thank you. Following the ceremony, the graduate may take the stole from around their neck and place it around the neck of the recipient. Presenters often write a few words of thanks on the back of the stole.

PHOTOGRAPHY: Photographs and/or video will be taken during the course of this event for use in Sacramento State publicity materials.

EMERGENCY EXIT: Please follow instructions from Sacramento State staff.

DISCLAIMER: The Commencement program recognizes all graduates from Fall 2023 and projected graduates from Spring and Summer 2024 as of March 27, 2024. Sacramento State has made every effort to ensure the accuracy of each name; however, incorrect listings and omissions may occur.

REGALIA

The history of academic dress goes back to the medieval European universities of the 14th century. European universities continue to follow varied patterns in cut and color of gown and type of headdress. U.S. universities have standardized the academic dress so that its features are generally uniform throughout the country.

THE GOWN: The gown is ordinarily black for academic degrees, but certain universities have authorized the use of colored gowns. The pattern varies with the degree held: short sleeves for the bachelor's degree, pointed sleeves for the master's degree, and round full sleeves for the doctorate. The bachelor's and master's gowns have no trimmings. The doctoral gown is faced down in the front with velvet panels and trimmed with velvet chevrons across the sleeves. The color of the velvet may be that of the subject in which the degree is granted.

THE HOOD: Hoods are not usually worn for the bachelor's degree. The master's hood is shorter than the doctoral hood. Hoods are lined with the color of the school, two colors being shown by putting chevrons of one color on the other color. The binding or edging of the hood is velvet in the color pertaining to the subject of the degree.

THE CAP/TAM: The standard cap is the mortarboard, usually the color of the gown. Sacramento State standard tassel is gold.

OFFICIAL COLORS

Represented among colors worn by members of the faculty are more than 100 colleges and universities from which they have earned their highest degrees. Major California universities represented are the gold and blue of the University of California and the cardinal of Stanford University. Official colors of California State University, Sacramento, are green and gold.

The color of the velvet band around the hood designates the academic major in which the wearer has taken his or her degree. Some examples for doctoral hoods are listed below:

Audiology	Green
Education.....	Light Blue
Philosophy.....	Royal Blue
Physical Therapy	Teal

The colors of the velvet bands on hoods worn by Sacramento State graduates receiving master's degrees are:

Master of Arts	White
Master of Business Administration	Drab (Taupe)
Master of Music	Pink
Master of Nursing	Orange
Master of Physical Therapy	Teal
Master of Public Health	Salmon
Master of Public Policy and Administration	Peacock Blue
Master of Science	Golden Yellow
Master of Social Work	Citron

SACRAMENTO
STATE

COLLEGE OF ARTS AND LETTERS

2023 - 2024

COLLEGE OF ARTS AND LETTERS

The College of Art and Letters at Sacramento State engages faculty, staff, and students in the creation and study of what makes us human. We offer major programs in the areas of humanities, languages and literature, history, philosophy, communication studies, design, and the fine and performing arts. We also offer a completion degree in Arts and Letters for busy adults. In classrooms, studios and field work experiences, Arts and Letters faculty and staff foster the creative and critical development of students' problem-solving skills, information literacy, verbal and written communications, as well as their design and artistic expression. Our students acquire diverse, intercultural competencies and a keen awareness of the past as they pursue the promise of the future. These skills, along with the fundamentals of a liberal arts education, prepare students for a lifetime of purpose and success in today's complex and dynamic society.

- The College of Arts and Letters offers more than 40 specialized undergraduate and graduate degrees in addition to nearly 30 minors and concentrations. More recently approved programs include the bachelor's in Arts and Letters, Bachelor of Fine Arts degrees in Studio Art, Photography, Graphic Design, and Interior Architecture, a bachelor's degree in Design Studies, certificates in Spanish for Healthcare (HEALS) and Criminal Justice, and a Latin American Studies minor. Global awareness and engagement are further enhanced through existing semester-long study abroad opportunities, scholarships, and over a half-dozen newly developed faculty-led study abroad programs.
- The College also offers more than 700 major, general education, and elective courses each semester to over 16,000 students. The Arts and Letters Professional Seminar Series (ALPSS), a collaborative program with the Career Center, along with new certificates in Curatorial Studies and Arts and Letters Entrepreneurship, provide additional preparation for career planning.
- In addition to well over 200 performances, films, exhibits, symposia, lectures, and readings, the College presents two annual anchor programs for the community: U-Nite!, in partnership with the Crocker Art Museum in the fall, and Festival of the Arts (FOTA), which includes U-CREATE in partnership with the Verge Center for the Arts, Axis Gallery, and Sunday Funday each spring.
- We are committed to engaging with our community in multiple ways: public history and public art projects; K-12 arts education programs such as the String Project, theater performances for high school students; *Voces de Sacramento* (a Spanish writing contest); service-learning opportunities; and partnerships with community-based organizations such as 916Ink, Sacramento Promise Zone, Developmental Disabilities Service Organization, and Sacramento Philharmonic & Opera, among others.
- Our students earn national and regional recognition for award-winning student publications, competitions, and performances, including *The State Hornet*; *Clio: California State University, Sacramento, History Journal*; *Downbeat* Student Music Awards; and Kennedy Center American College Theatre Festival winners and finalists. Our Public Art Students recently completed and installed *Tributary*, a monument celebrating Hornet spirit.
- Arts and Letters alumni continue to make us Hornet Proud. Among them are Jamil Kochai (English), author of *The Haunting of Hajji Hotak and Other Stories*, a 2002 National Book Award finalist who has joined our faculty; Elaine Welteroth (Communication Studies), award-winning journalist and author of *More Than Enough: Claiming Space For Who You Are (No Matter What They Say)*; and more recent graduates Jonathan Saatman and Sophia Silvers (Music), who recently performed in Sacramento Philharmonic & Opera's production of *Die Fledermaus* (The Bat).
- Our faculty actively publish, perform, and exhibit nationally and internationally and receive highly competitive grants, awards, and recognition such as those from the National Endowment for the Humanities, Fulbright awards, and National Science Foundation.

COLLEGE OF BUSINESS

2023 - 2024

COLLEGE OF BUSINESS

For more than six decades, the College of Business at California State University, Sacramento, has consistently achieved its fundamental goals: to cultivate excellence in its graduates, and to develop business leaders possessing not only top management skills, but also a broad understanding of their responsibilities to business and the community. Our scholarship and community service support and enhance the College's educational programs.

- The College provides a fertile environment, combining applied research with a sophisticated, demanding curriculum and an active program of real-world experience.
- The College also serves as a unique continuing resource to its graduates and the regional business community through its innovative outreach programs and its advisory council. Our Center for Small Business is one of the largest in the country. Faculty supervise the casework of students who apply learned concepts and, through this experience, gain a better understanding of entrepreneurship and the business environment.
- The College has approximately 4,000 students and more than 40,000 alumni.
- The College is in its sixth decade of accreditation by the International Association to Advance Collegiate Schools of Business at both the undergraduate and graduate levels.

Students working toward the bachelor of science degree may select from the following concentrations: Accountancy, Business Analytics, Entrepreneurship, Finance, General Management, Human Resources Management, International Business, Management Information Systems, Marketing, and Supply Chain Management.

Graduate degree programs include: Master of Business Administration, Master of Business Administration with concentrations in Finance, Entrepreneurship or Global Business, Business Analytics and Healthcare, Master of Science in Accountancy, Master of Business Administration for Executives (EMBA), and Online Master of Business Administration (iMBA), Master of Science in Business Analytics, and Master of Science in Finance.

COLLEGE OF EDUCATION

2023 - 2024

COLLEGE OF EDUCATION

As a comprehensive college, the College of Education collaborates with the region's professional communities in preparing future educators, leaders, and professionals to serve as agents of positive social change toward a more just, equitable, and inclusive society. We support the career aspirations and personal growth of students with diverse identities and backgrounds. We provide informed advice and applied research services to local and global communities.

Our graduates are sought after for their knowledge, practical skills, and ability to work collaboratively and to lead social change in diverse communities. Our faculty members are valued for their ability to partner with practitioners and their expertise in research, policy, and practice. We are proud of our forward-looking, student-friendly organizational culture, and look forward to being integral to the region's success.

The College of Education community shares certain values. We consider diversity of student body, staff, and faculty to be essential to our academic mission. We strive to provide affirming and inclusive learning and working environments to all students, faculty, and staff in accordance with their needs, strength, and identities. We pursue truth, and we defend evidence-informed decision-making, and theories and practices supported by facts. We expect our graduates to contribute to the common good and to work always within the boundaries of fairness and collegiality.

The College of Education offers pathways into many possible careers, through the bachelor of science, bachelor of arts, master of science, master of arts, Master of Arts in Teaching, Master of Arts in Special Education Teaching, Educational Specialist in School Psychology, and doctorate in Educational Leadership degrees.

Today's graduates will go on to shape the lives of others through their service as teachers, counselors, school psychologists, special educators, workforce and career specialists, professionals in deaf-related fields, and leaders in schools, community colleges, community-based programs, and public and private institutions, agencies, and organizations throughout the Sacramento region and beyond.

Congratulations to all our graduates! We are very proud of you today.

COLLEGE OF ENGINEERING
AND COMPUTER SCIENCE

2023 - 2024

COLLEGE OF ENGINEERING AND COMPUTER SCIENCE

Through innovation, a balance of theory and practice, appreciation for diversity, community engagement, integrity, and accountability, we strive to remain a valued community of scholars in which students are engaged in diverse learning experiences with faculty who are devoted to student success and technical achievement. Our contemporary curricula, engaging pedagogy, impactful scholarship, and applied research allow our College to continue to produce exceptional career-ready graduates who are prepared for a lifetime of professional achievement and intellectual growth. More than ever before, industry recruiters see our College of Engineering and Computer Science as a source of employee talent.

Annually, the College of Engineering and Computer Science graduates nearly 1,000 career-ready leaders who are prepared to deliver practical solutions for society's problems. Our College has an enrollment of almost 5,000 students, of whom approximately 10 percent are graduate students. Engaging these students are approximately 60 full-time, tenure-track professors who are supported by a dedicated staff of professionals. The College of Engineering and Computer Science offers six fully accredited bachelor's degree programs: Civil Engineering, Computer Engineering, Computer Science, Construction Management, Electrical and Electronic Engineering, and Mechanical Engineering. At the graduate level, we offer six master's degree programs: Civil Engineering, Computer Engineering, Computer Science, Electrical and Electronic Engineering, Mechanical Engineering, and Software Engineering.

COLLEGE OF HEALTH AND
HUMAN SERVICES

2023 - 2024

COLLEGE OF HEALTH AND HUMAN SERVICES

The College of Health and Human Services (HHS) includes the Schools of Nursing and Social Work, the Division of Criminal Justice, the Departments of Communication Sciences and Disorders, Kinesiology, Physical Therapy, Public Health, Recreation Parks and Tourism Administration, and the Health Science Meta-Degree program. Taken together, the College's academic programs meet 15 sets of external accreditation and licensing standards and are recognized for quality, currency, and innovation. HHS values diversity, equity, inclusion, belonging, social justice, access, professional ethics, and social responsibility.

Through our programs, students join with faculty to work in internships, clinical rotations, and field placements and participate in and conduct research directly related to community well-being. The faculty and staff are committed to student success and best practices. The College operates six pro bono physical therapy clinics and is the home to the Maryjane Rees Language, Speech and Hearing Center, which assesses and treats more than 950 clients each year in its Speech and Language Clinics and Audiology Clinics. The College is home to the Center for Health Practice, Policy, and Research (CHPPR) and its mobile healthcare initiative Health Hive, which are dedicated to impacting community health by promoting collaboration, transdisciplinary practice, and innovation to reduce health inequities in California's capital region. The College also houses the Center for African Peace and Conflict Resolution, the Law Enforcement Candidate Scholars (LECS) program, and the HHS Student Success Center, which makes over 7,000 student contacts per year.

The College has a significant impact on the delivery of health and human services in the Sacramento region and beyond, with more than 7,900 current students. HHS is proud to collaborate with campus partners to diversify the region's workforce and serve the needs of the community. More than 50,000 HHS alumni have a significant impact on the delivery of health and human services in the Sacramento region and beyond.

COLLEGE OF NATURAL SCIENCES

2023 - 2024

COLLEGE OF NATURAL SCIENCES AND MATHEMATICS

The College of Natural Sciences and Mathematics educates a richly diverse scientific workforce and fosters scientific and mathematical literacy in the greater community. Our degree programs, research opportunities, internships, and strong student support prepare graduates to achieve lifetime career success, contribute to knowledge, and help solve societal problems. Our faculty, students, and graduates promote regional progress through professional activities and community collaborations.

College programs emphasize hands-on experiences and interaction with professors. Extraordinary opportunities for students include our Summer Undergraduate Research Program, a Professional Science Master's in Stem Cell Research, a Certificate in Scientific Computing and Simulation, and more. Collaborating with faculty, students participate in research that often focuses on issues of regional importance, and each year, students present the results of their research at scientific conferences throughout the region. Students in the classroom have access to state-of-the-art instrumentation and unique facilities such as a well field for monitoring groundwater, a planetarium, and an astronomy observatory.

We believe that science more effectively serves society when informed by diverse perspectives. We are committed to recruiting and graduating students from populations typically underrepresented in the sciences. We nurture the success of our students through effective academic support programs. We strive to support regional progress by increasing the number of math and science teachers, improving the pipeline of well-prepared graduates going into science and mathematics fields, and building capacity for innovation in the region's workforce.

Congratulations to our graduates!

SACRAMENTO
STATE

COLLEGE OF SOCIAL SCIENCES AND
INTERDISCIPLINARY STUDIES

2023 - 2024

COLLGE OF SOCIAL SCIENCES AND INTERDISCIPLINARY STUDIES

The College of Social Sciences and Interdisciplinary Studies was established in 1996 and is the second-largest college at Sacramento State. Through our 14 departments/programs as well as associated centers, we serve our students and the community through teaching, scholarship, and engagement. We help shape the future leaders of our region and beyond through a broad offering of majors, all connected in their commitment to social justice and equity. Our programming encompasses learning opportunities both in and out of the classroom to study diverse and complex questions related to society and the human experience. We examine past, present, and future issues at the local, national, and global level through intersectional approaches. The disciplines in the College encompass cultural, developmental, economic, environmental, ethnic, health, identity, policy, political, psychological, and social frameworks. Our students graduate ready to use their education to challenge the status quo, effect change, and work toward a better society.

ALUMNI RESOURCES

Congratulations! You now belong to the Sacramento State alumni family. As your “Hornet Connection for Life,” your Alumni Association provides resources, discounts, and programming to help you make the most of the alumni network. Here are answers to our most frequently asked questions:

When will I receive my diploma?

Diplomas will be mailed to the address on file approximately three to four months after degree conferral, which follows final confirmation of grades and completion of your degree program. Please ensure that you update your address with Sacramento State, either through the My Sac State portal or through the Alumni Association’s homepage at SacStateAlumni.com.

How do I request my transcripts?

Transcripts must be requested in person, by mail (student’s signature required), or online (for an additional fee). Orders are not accepted by telephone, fax, or email. When ordering transcripts in person, please be sure to bring your photo ID. Visit csus.edu/student-life/records-transcripts/transcripts/.

Am I still eligible to use the Career Center?

Graduates continue to have access to the Career Center after graduation. You will find workshops and career fairs listed on the alumni events page at SacStateAlumni.com and the full services of the Career Center at csus.edu/careercenter.

I am a new graduate. How do I join the Alumni Association?

Visit SacStateAlumni.com, stop by the Harper Alumni Center, or look for Alumni Association representatives at most major Sacramento State events. As a new grad, there is no cost to become a member and being an active member is a great way to show you are #HornetProud. There is no better time to get involved! Claim your membership at SacStateAlumni.com.

What are the benefits of joining the Alumni Association?

Your Alumni Association membership is a powerful resource that connects you to a network of more than 280,000 alumni, helps advance your career, and shows your Hornet Pride. You can join a chapter, attend special events, connect with others who are working in your field, and get advice from experienced alumni. One of our most popular benefits for recent graduates is a significant discount on membership to The WELL. For a complete list of benefits, visit: SacStateAlumni.com.

I just moved. How do I update my address?

Update your address, phone number, name, or any other information at SacStateAlumni.com or by contacting the Alumni Association. Be sure to provide your email address to receive *Sac State Connection*, the monthly alumni e-newsletter.
