Apostilles and Notary Certifications

An Apostille Seal is an additional seal required on certified records that will be presented to a foreign government that is a member of the Hague Treaty. The seal is also required on documents for international adoptions or for establishing dual citizenship.

To get a record with an Apostille Seal, first obtain a certified copy of the vital record from the State Office of Vital Statistics and Registry. Indicate on your application that it will need an Apostille Seal, and you will receive a certified copy of the vital record. You must then forward this document to the Division of Revenue and Enterprise Services, which issues the Apostille Seal. Contact the consulate of the country involved to determine if you need an Apostille Seal or the Division of Revenue at 609-292-9292.
